MVSN (Mos Vegas Sports Network) Official Broadcast

[MVSN] d'aja: Mos Vegas Saturday Night Fight Club.... The show will begin soon.

[MVSN] d'aja: Do not be alarmed if you cannot speak in channel. It is ment for broadcasting the blow by blow events tonight.

[MVSN] prin: well we are having quite the dust storm here now

[MVSN] prin: wonder how this will affect tonights fighters

[MVSN] d'aja: Isn't that how Tatoonine always is? Although it isn't as bad as the storm in the summer of 8732BR

[MVSN] prin: Didnt that storm bury an entire tusken city

[MVSN] d'aja: Aye, Much to the cheer of all residents in the area

[MVSN] prin: Yeah it is never a sad sight to these those tuskens get buried by heaps of sand

[MVSN] d'aja: But what i'm really excited bout isn't the storm here tonight blazing on the surface of Tatoonine. It's the storms that are brewing in the hearts of our contestants. We have a great line up tonight

[MVSN] prin: thats right we have full house tonight as citizens ffrom around the galaxy have come out to see the best fighters around

[MVSN] d'aja: I've gotten glimpses of Jedi in the ranks

[MVSN] prin: It will be interesting to see how the jedi will fare into tonights fights

[MVSN] d'aja: and if that's not enough, even some sightings of Jedi Hunters.

[MVSN] prin: I imagine there are a few surprises in store for them

[MVSN] d'aja: It will definately be a action packed Night here in Mos Vegas

[MVSN] prin: well for those of you just getting here tonights Fight Night is going to be held outdoors

[MVSN] d'aja: Just to remind the listeners at home. Tonight's fights have no rules.... Buffs, Foods, even illegal Spice can be used tonight

[MVSN] prin: I think that is a first right D'aja

[MVSN] d'aja: True True, We have an arena setup outside so all the onlookers can view each fight

[MVSN] prin: An interesting arena it is too with trees and columns that should give our fighters many challenges

[MVSN] d'aja: Yes, the obsticals will play an important role for those that need Line of Sight

[MVSN] prin: it should bring a good diversity of fighting tactics

[MVSN] d'aja: Definately, but i think the skills of the fighter here tonight will show little resolves against them

[MVSN] prin: well these fights always come down to the skills of each fighter, with the best weapons and armor available to them there is little left but their experience in the ring

[MVSN] d'aja: That's right, when all things are equal only the skill of the fighters will prevail. That and a bit of luck, if you believe in that

[MVSN] d'aja: I think the jedi will weigh in heavier with the force tonight

[MVSN] prin: we have been asked by the event staff to have all spectators move off the fighting platform

[MVSN] prin:well things are about to get started here tonight, I want to remind our list eners that tonights fight is brought to you by Tavern Foods and Meridian Enterprises

[MVSN] prin:lkoo the fight organizer and moderator has taken center stage to announce the beginning of the fight

[MVSN] d'aja:We have 32 fighters tonight all competing for the chance to win the 20million credit purse

[MVSN] prin:That is a huge purse D'aja

[MVSN] d'aja:Not even the Hutts can show a purse that big

[MVSN] prin: it is now wonder so many want to compete tonight

[MVSN] prin:I believe we have seen agents of the Hutts here tonight

[MVSN] d'aja:I wouldn't be surprised, everyone wants the chance to win that much

[MVSN] prin:This event has got to have them worried

[MVSN] d'aja:Well with the option to deathblow your victim, i'm sure the Hutt's own fighting matches cannot measure up

[MVSN] prin:it definitely is a dangerous match to enter most death matches are found only on some of the more distant planets

[MVSN] d'aja:Well with them being banned by the Imperials it's a wonder how we can hold them here

[MVSN] prin: well Imperial law cant reach everywhere

[MVSN] d'aja: True, i believe our host lkoo has some strings pulled tonight

[MVSN] d'aja:So things will be interesting

[MVSN] prin: they should be

[MVSN] prin:at least the dust storm has cleared out

[MVSN] prin: well Nolmik and Blackthorn are our first fighter

[MVSN] d'aja: our first match up is Nolmik the king, and Blackthorn

[MVSN] prin:Nolmik has been hit with some serious disease

[MVSN] d'aja:Blackthorn is using an ackley stun baton laying waste to Nolmik

[MVSN] d'aja: But his mind is looking mighty low

[MVSN] prin: I dont think Nolmik can last in this fight

[MVSN] prin: and he is down

[MVSN] d'aja: with not a second to spare

[MVSN] d'aja: i think another 10 seconds and Blackthorn would have fallen, no doubt a bout that

[MVSN] prin:Nolmik gets some much needed treatment from the doctor

[MVSN] prin: it was close

[MVSN] prin: but things can go that quickly here sometimes

[MVSN] d'aja: Blackthorn had been poisoned and diseasd, it's amazing he survived

[MVSN] d'aja: But no rest for the weary as Blackthorn sets up for the next fight

[MVSN] prin: the weapons these guys use are unbelievable

[MVSN] prin: he'll have to get some attention from the Doctor but he shouls be ready to go

[MVSN] d'aja: Next up, Eevag jedi master vs Thorn-Sideous

[MVSN] d'aja: I'm going to have to go with Eevag on this one

[MVSN] d'aja: He's survived much of the jedi purge, and won't be taken down easily

[MVSN] prin: Thorn is a pretty experienced fighter though

[MVSN] d'aja: And it begins

[MVSN] d'aja: Eevag is using a full generation 5 krayt pearl saber

[MVSN] prin: Thorn is absorbing light saber attack after attack

[MVSN] d'aja: look at eevag's speed

[MVSN] prin: Thorn is not going to make this one

[MVSN] prin: Thorn is wielding a double handed power hammer

[MVSN] prin: and has now switched to a scythe

[MVSN] d'aja: Nothing but a blur of green sparks flying while he uses lightning on Thorn

[MVSN] d'aja: But wait, he's diseased now

[MVSN] d'aja: Poisoned

[MVSN] d'aja: this could be bad, but no, he uses force heal

[MVSN] prin:Thorn appears to have poisoned the young jedi
[MVSN] prin:I think Thorn must be using some spice to stay in this fight
[MVSN] d'aja: Eevag is bleeding from the mind but doesn't stop
[MVSN] d'aja: he is has won with little damage to himself
[MVSN] prin: Thorn was smart to focus all his attacks at the jedi's head but to no avail
[MVSN] d'aja:Eevag wins again
[MVSN] d'aja:I have to say a jedi is a dangerous weapon
[MVSN] prin:tough match D'aja I thought Thorn might have lasted a little longer there, but those jedi are tough cookies
[MVSN] d'aja:Like throwing chubas against a brick wall
[MVSN] d'aja: Our next fight, Darker vs Fu-Man
[MVSN] prin: yeah I was most surprised that all Thorn brought to the fight was a scythe and power hammer
[MVSN] d'aja:not much you can do against a master of the force
[MVSN] d'aja: But he lasted longer than some Bounty Hunters
[MVSN] prin: Darker is wearing his rebel insignia tonight
[MVSN] prin: there is definitely no fear of the Empire hear folks
[MVSN] d'aja: Aye this fight is rebel vs imperial
[MVSN] d'aja: and Fu trips on his feet
[MVSN] d'aja: and is already poisoned
[MVSN] prin: Darker comes out strong with a huge blow to the head
[MVSN] d'aja: Fu-man is working his tka skills against the head of his opponent
[MVSN] d'aja: But he's back on his back
[MVSN] prin: darker has him down on the ground
[MVSN] prin: but darker cant keep up the momentum
[MVSN] prin: he has lost this fight
[MVSN] d'aja: Somehow he manages to take the head of Darker
[MVSN] prin: Dakrer took a lot of blows to the head there
[MVSN] d'aja: Another mark on the imperial side as Fu-manchu advances to the next round
[MVSN] d'aja: Now this nexy fight will be interesting
[MVSN] d'aja: OGINE vs NIQ
[MVSN] d'aja: Melee bs pistoleer
[MVSN] prin: well I just got word that there are over 160 people out to watch tonight's fight
[MVSN] d'aja: Niq is already on fire and bleeding
[MVSN] prin: OGINE comes out with an old style republic blaster
[MVSN] prin: but he is not looking good
[MVSN] d'aja:Wow, even on fire he doesn't stop and wins
[MVSN] prin: despite the fire Niq knocks OGINE dizzy for the win
[MVSN] prin: unbelievable
[MVSN] d'aja: He's going to need a tub of water
[MVSN] prin: and some ice packs
[MVSN] d'aja: And the underdog Niq is advancing to the next round. Those were some incredible fencer skills
[MVSN] prin: I'm gonna have to go with Rocee on this next fight
[MVSN] prin: hes going to be pitted against Outie, who is new to arena fighting
[MVSN] d'aja: I wouldn't under estimate the resolves of the bothan race
[MVSN] prin:Rocee is establishing himself as one of the premier fighters in the galaxy
[MVSN] d'aja:Outie may be small but i hear he packs a bantha
[MVSN] prin:well he may need a bantha
[MVSN] prin: outie throws a poison into the ring
[MVSN] d'aja:Outie pulls out his stun stick and dizes and poisons Rocee
[MVSN] prin: Rocee seems to be fairly dazed by it too
[MVSN] prin: this could be a huge upset folks
[MVSN] d'aja:He's on fire, diseased and poison but hasn't slowed yet

[MVSN] d'aja: And a quick heal and i think the fight is done
[MVSN] prin: well rocee goes down
[MVSN] prin: unusual that he will not advance to the esecound round
[MVSN] d'aja: Just goes to show that bothans are sneaky as their reputation
[MVSN] prin: Outie defintinely put on a great fight allowing very few opportunities for R
ocee to strike
[MVSN] d'aja: I've never seen a bothan jump as high
[MVSN] d'aja: Myth vs Xamm
[MVSN] prin: Im gonna have to go with Xamm in this fight
[MVSN] d'aja: Xamm is a proud member of QC, a guild of jedi hunters
[MVSN] d'aja: He's born and raised in Naboo, trained to hunt rebels and jedi alike
[MVSN] d'aja: this will be either a quick fight, or very long as the skills of both fighters
are a great match
[MVSN] prin: Myth is member of the Templar Knights or Nytes as they call themselves
[MVSN] prin: I agree D'aja this fight is hard to predict
[MVSN] d'aja: these are 2 breed fighters
[MVSN] d'aja: it'll be bloody that's for sure
[MVSN] prin: Rodeo Drive in Brenn proudly sponsors this fight and can be found right
off the shuttleport in Brenn featuring weapons and armor and other great items
[MVSN] prin: we are having a delay here
[MVSN] prin: are you getting information from the fight coordinators D'aja?
[MVSN] d'aja: Also brought to you buy The Armory, great quality armor made direct to
the public by our friend Gruelokk
[MVSN] prin: The Armory is right here in Mos Vegas right?
[MVSN] d'aja: there's seem to be a problem with Myth
[MVSN] d'aja: That's right Prin, fantastic armor so i hear
[MVSN] d'aja: and we start
[MVSN] prin: Myth is slow getting into melee range
[MVSN] d'aja: xamm is holding on while he just unload on Myth with a gen sonic pistol
[MVSN] d'aja: Xamm hasn't taken much of a beating yet
[MVSN] prin: well Xamm is knocking down Myth and really stopping his attack
[MVSN] d'aja: spoke too soon
[MVSN] d'aja: Xamm is halfway to falling himself
[MVSN] prin: yeah Myth is unloading some serious damage onto Xamm
[MVSN] d'aja: Doesn't look like Xamm will be able to stand for long
[MVSN] prin: Xamm really needs to get away from this guy
[MVSN] d'aja: He's holding on taking an amazing beating by the stun baton
[MVSN] prin: Xamm finally gets into range and looks to be turning the fight in his favor
[MVSN] d'aja: He's poisoned now, and on fire
[MVSN] prin: he is not looking good
[MVSN] d'aja: but he's still firing with all he has
[MVSN] d'aja: No not good, these are the last few seconds
[MVSN] prin: if he can just keep myth away he should be able to turn this
[MVSN] d'aja: And Xamm is down
[MVSN] d'aja: Beaten the old sith way, with a stick
[MVSN] prin: well i am surprised Myth pulls it out
[MVSN] prin: but these fights always surprise me
[MVSN] d'aja: yes, Xamm aas clearly in control the first half of the fight
[MVSN] d'aja: next up, Home town fav Drrty vs Tina
[MVSN] prin: Is this even fair
[MVSN] prin: Tina will prbably kill Drrty out right
[MVSN] d'aja: But it takes guts to enter the ring
[MVSN] prin: your right Drrty is a proud Tailor in the galaxy maybe he can bring those
crafting skills to bear
[MVSN] d'aja: Maybe so, but i don't think Tina needs a hem stitched tonight

[MVSN] d'aja: Regardless of who wins i'm sure Drrty will enjoy a beating from a pretty lady of Shadowfire

[MVSN] d'aja: This is what we in the broadcast field call company networking

[MVSN] d'aja: And drrty opens with some poison

[MVSN] d'aja: Staying true to his name, He's using poison and disease

[MVSN] d'aja: All he has to do now is live long enough so the poisons can work his opponent down

[MVSN] d'aja: Wow, i think he's thrown everything at her including the kitchen sink

[MVSN] d'aja: And the kitchen sink KNOCKS her out

[MVSN] d'aja: Drrty wins

[MVSN] d'aja: Wow, who saw that coming

[MVSN] d'aja: Hats off to drrty and his over head tosses of vile diseases and poisons

[MVSN] d'aja: Our next fight is davoc vs Xolieoar

[MVSN] d'aja: And it starting

[MVSN] d'aja: Davox is having trouble getting in range

[MVSN] d'aja: And that is his down fall, as Xolie wins\

[MVSN] d'aja: without a scratch on him

[MVSN] d'aja: next up

[MVSN] d'aja: Shynok vs DJPB

[MVSN] d'aja: and Dj hits the floor

[MVSN] d'aja: Shynok is taking heavy mind damage

[MVSN] d'aja: Dj is holding on strong

[MVSN] d'aja: Shynok is looking low

[MVSN] d'aja: But comes back with a knick down

[MVSN] d'aja: Dj is taking a nap while Shynok is beating on him

[MVSN] d'aja: Shynok's mind is almost gone, and Dj is still on the ground

[MVSN] d'aja: I have to say Shynok isn't doing much of anything in the form of damage against Djpb

[MVSN] d'aja: and Dj is just laying there

[MVSN] d'aja: Dj hasn't gotten up yet

[MVSN] d'aja: But he's at full health

[MVSN] d'aja: This fight reminds me of the great cantina brawl of 876BR

[MVSN] d'aja: And DJ get's up and taps Shynoko's big toe, knocking him out

[MVSN] d'aja: and delivers a deathblow

[MVSN] d'aja: DJPB wins and advances to the next round

[MVSN] d'aja: Xio vs Asep

[MVSN] d'aja: Xiou is sporting a beautiful RIS helmet

[MVSN] d'aja: Looks to be killing with style

[MVSN] d'aja: And Xiou start off with a poison and disease

[MVSN] d'aja: Aspe comes in with his baton

[MVSN] d'aja: To no avail as his mind drops to nothing

[MVSN] d'aja: Xiou wins with style

[MVSN] d'aja: Eva is a long time fighter

[MVSN] d'aja: has been killing rebels since the dawn of time

[MVSN] d'aja: She's weaving in and out setting up stat effects

[MVSN] d'aja: satia pulls out her poison lance

[MVSN] d'aja: And eva takes a hit of it

[MVSN] d'aja: Eva is taking more damage than Satia, looks like Satia's medic skills are coming into play

[MVSN] d'aja: But eva is standing strong and beginning her weaving

[MVSN] d'aja: Satia is looking mighty strong in her position so far

[MVSN] d'aja: And eva's attempts at prolonging the fight is playing against her

[MVSN] d'aja: The poison has her mind pretty low, While satia is still nearly full of health

[MVSN] d'aja: And Eva takes a double ham knock out. And a DEATH BLOW

[MVSN] d'aja: That's the 2nd death blow of the night
[MVSN] d'aja: It's surprising to see Eva's dance of death didn't play in her favor

[MVSN] d'aja: Jedi master Awkwar is a favorite to win this fight
[MVSN] d'aja: And we start....

[MVSN] d'aja: Both fighters are melee and Kiodo opens with a knock down
[MVSN] d'aja: firing with a jawa rifle to soften Blood up
[MVSN] d'aja: Blood answers with the same tactics
[MVSN] d'aja: Kiodo gets up and knocks Blood back on his butt
[MVSN] d'aja: Jawa rifles flying and Blood is back up
[MVSN] d'aja: Blood is low on mind, and Kiodo is full health
[MVSN] d'aja: But has been poisoned
[MVSN] d'aja: And blood is on his back again
[MVSN] d'aja: Kiodo is down now, receiving the headshots
[MVSN] d'aja: Both fighters are low in mind
[MVSN] d'aja: But blood is back on his butt
[MVSN] d'aja: This is sick folks, no 2 fighters are standing
[MVSN] d'aja: they are taking turns, one on the ground and one standing
[MVSN] d'aja: And Kiodo is getting the mind hurt
[MVSN] d'aja: Blood is standing over Kiodo now whoo's mind is in the double digits
[MVSN] d'aja: But with excellent buffs his mind is regening fast enough to take the damage
[MVSN] d'aja: Kiodo has Blood on his back now.. and his mind is slowly going back up
[MVSN] d'aja: AND he pulls a win from out of the shaved bantha... Kiodo WINS

[MVSN] d'aja: And we are on
[MVSN] d'aja: Myth is poisoned already
[MVSN] d'aja: and diseased
[MVSN] d'aja: Drrty is on fire and poisoned himself
[MVSN] d'aja: running around
[MVSN] d'aja: It's all part of his tactics folks
[MVSN] d'aja: And myth is very low on health
[MVSN] d'aja: Looks like Myths health buff is done
[MVSN] d'aja: and Drrty has fansatic luck in timing and wins
[MVSN] d'aja: now that's a tailor is one to start, and finish his fights
[MVSN] d'aja: Eurorush vs Xiou
[MVSN] d'aja: A betting man would pick EuroRush in this match up... but as we've seen here tonight, anything can happen

[MVSN] d'aja: Manages to disease/poison and set Xiou on fire

[MVSN] d'aja: Satia is working his baton well
[MVSN] d'aja: Black's mind is at half still
[MVSN] d'aja: while Satia is at half health
[MVSN] d'aja: nothing a quick stim can't fix though
[MVSN] d'aja: Black is slowly losing the mind pool
[MVSN] d'aja: Satia is standing strong
[MVSN] d'aja: Looks like Black is in trouble
[MVSN] d'aja: Satia moves in the kill
[MVSN] d'aja: Black is down to 100 mind
[MVSN] d'aja: But his regen is incredible and he's still standing

[MVSN] d'aja:Time is with Satia on this fight

[MVSN] d'aja:OH OH
[MVSN] d'aja:it's an ambush
[MVSN] d'aja:Kiodo's groupmate opens fire on Eevag

[MVSN] d'aja:Awkwar is known to all as one of the first jedi masters of shadowfire
[MVSN] d'aja:Fu-man has his hands full in this fight
[MVSN] d'aja:he's only response upon hearing his opponants name, a simple "shit"
[MVSN] d'aja:the fighters are getting ready

[MVSN] d'aja:One has got to wonder which of the four letter words best describes the feeling of Fuman right now

[MVSN] d'aja:And we are almost ready

[MVSN] d'aja:And we are on.....

[MVSN] d'aja:Fuman opens with poison

[MVSN] d'aja:which Awkwar heals wusing the force

[MVSN] d'aja:Fuman is still trying to get the poison to stay on him

[MVSN] d'aja: but Awkwar is healing it

[MVSN] d'aja: Fuman isnt going to last long

[MVSN] d'aja:and he get's tripped up on the saber

[MVSN] d'aja:Awkwar closes in to finish

[MVSN] d'aja: and mind incaps Fuman

[MVSN] d'aja: this is the first fight awkwar has taken any serious damage

[MVSN] d'aja:but nothing a quick force heal or 2 can't fix

[MVSN] d'aja: next up Malagant, jedi cs Xolie

[MVSN] d'aja: Rifleman vs jedi

[MVSN] d'aja: long time rivals

[MVSN] d'aja:careful use of the force will mean Malagant's win, if not Xolie will have a chance to deathblow

[MVSN] d'aja: and we are on

[MVSN] d'aja:and this fight was over before it started

[MVSN] d'aja:Xlio managed to get some shots off, but Malagant was on him like a hutt on a twi'lek

[MVSN] d'aja:next up Outie, vs drtty

[MVSN] d'aja:now this is the fight that i've been waiting for

[MVSN] d'aja: fencer vs Cm/SL

[MVSN] d'aja: I can't predict this one at all folks, both have good chances to win

[MVSN] d'aja: I believe it'll all come down to who has the best poisons

[MVSN] d'aja: and a false start on drtty

[MVSN] d'aja:i'm sure his boxers are itching

[MVSN] d'aja:and we are on

[MVSN] d'aja:Both are poisoned

[MVSN] d'aja:Drrty has the mind poison on him and is taking a bad beating

[MVSN] d'aja:outie is hold very strong and proceeds to knock drtty out

[MVSN] d'aja:Drrty's mind pool was much lower in this fight than the last ones

[MVSN] d'aja:and i thnk that was his downfall

[MVSN] d'aja: but a good showing for the popular home town tailor

[MVSN] d'aja:next up, Awkwar vs Satia

[MVSN] d'aja:jedi master vs fencer/cm

[MVSN] d'aja: i think this will be a good one folks, Satia's healing stims might offset the damage the saber can do

[MVSN] d'aja:Awkwar will have to watch for poisons and Satia's evading skills

[MVSN] d'aja:Satia is sporting 4k in mind

[MVSN] d'aja:Awkwar is only half

[MVSN] d'aja:And they start

[MVSN] d'aja:Satia opens with a posture down and poison

[MVSN] d'aja:Awkwar is working Satia's mind pool

[MVSN] d'aja:Awkwar heals the poison off him but get's another batch of it

[MVSN] d'aja:Nothing a force heal can't fix though

[MVSN] d'aja:and he continue's to work Satia's mind

[MVSN] d'aja: Satia is at half mind now

[MVSN] d'aja:Awkwar is down to half mind as well

[MVSN] d'aja:he's not poisoned but is on fire

[MVSN] d'aja: Satia is still looking strong but her mind is slowly dropping

[MVSN] d'aja:and she runs around to buy some time

[MVSN] d'aja:Awkwar is still chopping at her head

[MVSN] d'aja: This is the longest fight Awkwar has had all night

[MVSN] d'aja: He's still chopping away, but Satia is trying to warcry some time for herself

[MVSN] d'aja: She's got to get him down

[MVSN] d'aja: And she does

[MVSN] d'aja: He's down but get's back up and switches to his blue saber

[MVSN] d'aja: a sure sign he's low on force

[MVSN] d'aja: Satia just has to buy more time, and get's him on his back for a few seconds again

[MVSN] d'aja: Awkwar is trying to stay up, but is taking alot of mind wounds from the disease

[MVSN] d'aja: he's still on fire

[MVSN] d'aja: and is back on his back

[MVSN] d'aja: Satia is fighting smart, and letting him use up the force

[MVSN] d'aja: Her mind is still at half but slowly is goin gup

[MVSN] d'aja: Awkwar is down, but back up.. and looking weakebed

[MVSN] d'aja: and mind is getting dangerously low

[MVSN] d'aja: Satia's mind is regening quicly

[MVSN] d'aja: and Awkwar is intimidated, dizzied, diseased and on fire

[MVSN] d'aja: down to 700 mind

[MVSN] d'aja: Satia is still up and Awkwar is running for time

[MVSN] d'aja: Satia must have taken some spice, sporting 5k in mind

[MVSN] d'aja: whick drops to 3.9k

[MVSN] d'aja: Awkwar is running for time, he's dangerously low

[MVSN] d'aja: and might be finished off soon

[MVSN] d'aja: will Satia deathblow?

[MVSN] d'aja: uh oh, Satia is clearly in control now... giving the master jedi a run for life itself

[MVSN] d'aja: she knocked him down for a second, but he's back up

[MVSN] d'aja: he's just trying to buy time now

[MVSN] d'aja: giving Satia more time to heal up

[MVSN] d'aja: things aren't looking good for the master jedi

[MVSN] d'aja: Awkwar is low on life and mind

[MVSN] d'aja: but looks like he's out

[MVSN] d'aja: oh

[MVSN] d'aja: OH

[MVSN] d'aja: And someone steps in to heal the jedi

[MVSN] d'aja: or disqualification

[MVSN] d'aja: IN AN UPSET, the jedi get's an outside heal to avoid incap at the hands of Satia

[MVSN] d'aja: And the fight is now on the streets

[MVSN] d'aja: The unrest is all over and it's a riot

[MVSN] d'aja: Attackers are all over awkwar now as he runs for his life

[MVSN] d'aja: tefs are flyng

[MVSN] d'aja: In a surprise update, Satia all but owned this fight. When an outside party healed the jedi

[MVSN] d'aja: Sending running out of the arena with the crowd in tow

[MVSN] d'aja: Tefs from spectators as they tried to take advantage of the jedi tef and take Awkwar down

[MVSN] d'aja: No folks he didn't die, but he was at a faction of life and would surely had tied

[MVSN] d'aja: would have surely i mean

[MVSN] d'aja: Satia advances to much everyone's surprise

[MVSN] d'aja: Satia, known forever more as the Twi'lek who stood up against the jedi and with control of the battle could have clearly destroyed him

[MVSN] d'aja: Such is the life of a jedi, you never truly know who your friends are

[MVSN] d'aja:oh technical troubles
[MVSN] d'aja:Eevag master jedi vs xiou
[MVSN] d'aja:no this isn't right
[MVSN] d'aja:looks like a group match
[MVSN] d'aja:ok, back up and running
[MVSN] d'aja:Pls clear the arena floor
[MVSN] d'aja:Xiou bows out
[MVSN] d'aja:Unfortunately i can't give details as i had some technical problems
[MVSN] d'aja:The fight is missed was Sarata vs Malagant
[MVSN] d'aja:my reports say Sarata won will little trouble
[MVSN] d'aja:Malagant being a jedi, not fully in his prime but a good fighter so far
tonight lost to Sarata a veteren fighter from old Shadowfire days
[MVSN] d'aja:As i've said before, skill is all that matter when all things are equal
[MVSN] d'aja: Sarata is at the top of her form tonight as she advances to the next round
[MVSN] d'aja: Things are setting up again for the nexy fight
[MVSN] d'aja: Aparently there was a group poison that hit the jedi sending tefs flying
[MVSN] d'aja: The next fight is Eevag master jedi, vs Sarata
[MVSN] d'aja: This looks to me a good fight
[MVSN] d'aja: And we are on
[MVSN] d'aja: Both fighters are beating on each other
[MVSN] d'aja: both with great buffs and armor
[MVSN] d'aja: Sarata is taking damage to the mind
[MVSN] d'aja: and drops the jedi on his back for a second
[MVSN] d'aja: Eevag is standing very strong with little damage
[MVSN] d'aja: damage
[MVSN] d'aja: and finishes the fight
[MVSN] d'aja: Giving Sarata a deathblow for her effects
[MVSN] d'aja: Looks to me that Eevag had stun armor as his secret weapon against Sa
rata's stun baton
[MVSN] d'aja: oooo we have a dark jedi master here now
[MVSN] d'aja: well known Unicorn has shown up
[MVSN] d'aja: Arch rival to Awkwar and Eevag
[MVSN] d'aja: nex fight Satia vs Outie
[MVSN] d'aja: both are fencers and Cms
[MVSN] d'aja: it'll be good to see who can out damage each here
[MVSN] d'aja: It's all bout poison strength, armor resist and weapon damage in this
fight
[MVSN] d'aja: and we are on
[MVSN] d'aja: Satia sporting 4k mind
[MVSN] d'aja: falls on her back as outie poisons her and starts the pain
[MVSN] d'aja: She's up and poisons outie
[MVSN] d'aja: Looks like Outie is in control
[MVSN] d'aja: But he's losing mind as a faster rate
[MVSN] d'aja: Satia is taking control, and Outie's mind pool is dropping faster than a m
aster dancer against a krayt
[MVSN] d'aja: Satia's awesome mind pool is holding up
[MVSN] d'aja: And outie is running for time
[MVSN] d'aja: Outie is down
[MVSN] d'aja: With nearly nothing in his hams
[MVSN] d'aja: Satia wins again
[MVSN] d'aja: showing the all should FEAR THE LEKKU
[MVSN] d'aja: It's truely amazing how Satia has 5153 mind
[MVSN] d'aja: must be spice in that coffee she's drinking
[MVSN] d'aja: Which might be a downside when the downer hits

[MVSN] d'aja: The up coming fights will be back to back and she has a chance to hit the
e down as she is up against Eevag

[MVSN] d'aja: This is the final match folks

[MVSN] d'aja: Satia vs Eevag

[MVSN] d'aja: This is for the purse of 20mill

[MVSN] d'aja: Eevag is going to have to risk the tef here

[MVSN] d'aja: and he opens with a kd

[MVSN] d'aja: She answers with some poison and return the knock down

[MVSN] d'aja: Eevag is now on fire, diseased and poisoned

[MVSN] d'aja: Slowly losing his hams

[MVSN] d'aja: Satia is standing strong, she has less than a min left before the muon
downer

[MVSN] d'aja: Eevag uses a force heal, but Satia reapplies the poison

[MVSN] d'aja: Satia is still at full strength

[MVSN] d'aja: Eevag has to fight smart with the force in order to last

[MVSN] d'aja: And he's back on the ground

[MVSN] d'aja: Satia is beating him, But he's up working his green saber

[MVSN] d'aja: Eevag is up now in hams

[MVSN] d'aja: Satia is even again in health

[MVSN] d'aja: but the muon is on her now

[MVSN] d'aja: She's down to 3k mind, the downer hits

[MVSN] d'aja: Eevag is down to 1400 mind, and is still on fire

[MVSN] d'aja: poisoned and diseased looks like Satia might win this one too

[MVSN] d'aja: Satia trying to reapply the fire

[MVSN] d'aja: Eevag is getting low on mind again

[MVSN] d'aja: but wait

[MVSN] d'aja: wait

[MVSN] d'aja: the force is strong with this jedi, and he's back up with health

[MVSN] d'aja: Satia is still fighting strong, seems like the jedi isn't doing much damage

[MVSN] d'aja: We may have to wait for the buffs to run out on this fight

[MVSN] d'aja: Satia is down to 2.5k mind

[MVSN] d'aja: looks like her food and spice are done

[MVSN] d'aja: Eevag is down to 600 mind

[MVSN] d'aja: He may lose this

[MVSN] d'aja: And yes

[MVSN] d'aja: down to 50

[MVSN] d'aja: and down

[MVSN] d'aja: he's down

[MVSN] d'aja: Eevag is down

[MVSN] d'aja: and he's being dragged away for safety

[MVSN] d'aja: Satia may have won, but she may not have the pleasure of the deathblo
w

[MVSN] d'aja: Satia is the winner

[MVSN] d'aja: Oh reports are in

[MVSN] d'aja: Eevag has been deathblowed

[MVSN] d'aja: Master jedi Eevag has recieved a death blow, he loses the fight to
CM/Fencer Satia

[MVSN] d'aja: Once again proving that not only are lekku's a fashion accesory... they a
re deadly to even jedi master

[MVSN] d'aja: So out of 3 jedi that has fought here tonight, all 3 has fallen

[MVSN] d'aja: The life of a jedi is full of risks, and tonight we got to see how much risk
they have to face.
